*Features:

- HALED patent optics design, similar to halogen light effect
- · Easy and quick installation
- PF>0.85, flicker free, follows new ErP
- Dimmable or Dim to warm halogen function by triac dimmer 6W HALED lamp replace 75W halogen lamp
- CRI 95, R9>90
- Low UGR
- · Peak luminous intensity is 1.25 times of parallel products
- Suitable for all kinds of unenclosed luminaire
- · Metal structure, excellent heat dissipation
- Lifespan 40,000 hrs, 5 years warranty
- · High energy efficiency

Applications

- · Residential application and hotel lighting.
- · Commercial lighting like restaurants, bars,cafes, etc.

Technical Drawings (mm)

Note: Height between the module and roof should be no less than 10cm for heat dissipation purpose for installation.

Inner Box 50*50*60mm

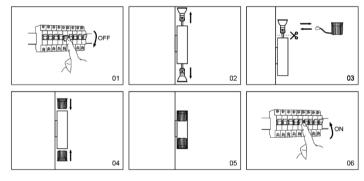

Inner Carton 270*110*80mm(10PCS)

Shipping Carton 580*285*185mm(100PCS)

Installation /Mounting:

Please read the entire instruction manual before using the product and reserve it for future reference. We reserve the right for any error in text or image and any necessary change made to technical data. If you have any question regarding technical problems, please contact our Customer Services.

Cautions:

- Don't touch the lamp when it is lighted
- Don't use it in enclosed luminaire
- Power off before replacement
- Do not in violation of any fire regulations when using
- Consult professional electricians for technical support
- If the cable is damaged, it must be replaced by the manufacturer and its service agent, or qualified person in order to avoid hazards.
